

# HHYC Race Results - 2017

## Charlie Bangs Apple Blossom Memorial Race 2017

With only one entry for the race, the Charlie Bangs was not held in 2017 (nor in 2016). Thanks to Art for Race Committee preparations.

## Keg Classic 2017

The Keg Classic Race was held Saturday, July 8, 2017 under initially threatening skies. A heavy rain with scattered lightning a half-hour before the skipper's meeting caused a 15 minute delay in start. Fortunately the weather improved with scattered clouds and wind varying 7 to 14 knots from the NW.

3 boats participated in the two races – details are in the table below. Velocity Girl used the opportunity to practice for EYC next week. Congratulations to Red Head and crew for the low score. Over all place is determined by the lowest sum of the two finishes. The traditional round of drafts was shared by many of the participants with thanks to Phil for opening the bar.

David Rice & Suzanne Gervais – Race Committee

Keg Classic Scoring Sheet

7/8/2017

### Race 1

Start: 10:45:00

Boat	Sail #	Skipper	Finish Time	Elapsed Time	Time ahead of last	Race 1 Sequence
Shields	148	Hoffman	12:15:14	1:30:14	0:00:00	3
Velocity Girl	278	Leonard	12:12:18	1:27:18	0:02:56	2
Red Head	481	Siemon (Haylie)	12:11:25	1:26:25	0:03:49	1

### Race 2

First boat start: 12:30:00

Boat	Sail #	Skipper	Start Time	Finish Time	Sequence	Sum of Finishes
Shields	148	Hoffman	12:30:00	13:34:07	1	4
Velocity Girl	278	Leonard	12:32:56	13:40:45	3	5
Red Head	481	Siemon	12:33:49	13:38:05	2	3

## Women's Challenge Cup Results

After several years' absence, the Women's Challenge Cup returned on **July 22** with six women participating as skippers or crew. Four Typhoons were made available by their owners, permitting one-design racing in boats perfectly matched to the race and weather conditions. Unfortunately one Typhoon, Osprey, had a fouled jib halyard and had to retire before the start.

Five short course races allowed rotations of skippers where desired. Scoring was based on place in the best two finishes for each skipper. The wind was SW at 3-6 kts.

On Punky were Jane and Lee Cagwin, on Twister Noreen Mallabar, Mary Ellen and Steve Woiler, and on Ella, Nancy Siemon, Corlis Kaiser, and Suzanne Gervais.

Jane and Noreen were tied with two firsts each (best two races), with Jane breaking the tie with a third first place. Mary Ellen's two second place finishes gave her third place overall with Nancy following in fourth place. All competitors finished close to one another with two close photo finishes for second and third in those races. The others chose to crew only.

All competitors were in enthusiastic agreement that they would like to hold several such events each year so look forward to more one design racing with our female members.

Thanks to Canaan Leonard for providing boat and R/C functions.

## Commodore's Cup

The Commodore's Cup was held on August 12, 2017 with fair winds 10-15 kts from the south. 9 boats participated with a spread in ratings from 54 to 310. On the high end we welcomed two Typhoons and a Precision 165, and an Escow on the low end. Thanks to Lee Cagwin for R/C duties.

Rank	Fleet	Division	Boat	SailNo	Club	Helm	Rating	Start	Finish	Elapsed	Corrected

## Picksly Ramble

The Picksly Ramble (August 19) had only 2 boats for registration, 3 is a minimum for a race. Canceled this year.

## Duck Island Race

The morning of August 26 winds were light to non-existent. Four boats registered (Velocity Girl, E-motion, Fast Attack and Redhead) and prepared for a 10 AM start. With the hope that winds would be reasonable on the lake (Prince Edward buoy was reporting 6kts Gst 8) a Stoney-Calf Island course with set with understanding that shortening to a "reverse outer triangle" would take place if the first boat hadn't reached the Stony Island buoy (R"2") by 1 PM. After a postponement, a light NE breeze seemed to be filling in and the fleet started at 10:40.

While the boats were moving in the 3-4 kt breeze, the pernicious wind shifts kept the fleet sailing back and forth in Henderson Bay without making appreciable progress toward Lime Barrel. E-motion's tactician and expert wind sniffer, Rosemary, found a path that set her on a direct tack toward Lime Barrel quite ahead of the others.

Once out on the lake, winds were only slightly better, 4-6 kts and still somewhat variable. The course was immediately shortened. In hind sight, the normal outer triangle (Point Peninsula, Stony Is.), would have been preferred even though the first mark was not consistent with the original course.

Fast Attack took line honors, crossing the finish line at 5:17 PM. E-motion ended the race, crossing at 5:53. Redhead chose to take a DNF after the experience in the bay.

With the mixture of two full sail boats and two white sail, the SA chair was face with a decision: score in two fleets, in which case neither would meet HHYC's traditional requirements for three boats to constitute a race; or score together, not following PHRF normal procedures. The SA chair chose the latter, though with caveat that this should not be taken as a precedent. Detailed results are below.

The skippers and crew gathered for a superb cook-your-own steak dinner afterward. Thanks to David, Suzanne, Bill Arnold and Joan Mane for participation on Race Committee.

## Duck Island Race 2017

Duck Island - 8/26/2017 at 10:00

Start: Start 1, Time: 10:50, Wind dir: SW, Ave wind: 5 kts

Rank	Fleet	Division	Boat	SailNo	Club	Helm	Rating	Start	Finish	Elapsed	Corrected
1	NFS	PHRF	E-MOTION	16	HHYC	REUTLINGER	183	10:50	17:53:27	7:03:27	6:50:24

### Skip Summerville Memorial / Hospice Charity Cup Regatta

The 2017 Hospice Charity Cup Regatta, originally to be held at Crescent YC in early August, did not take place due to high water. HHYC was asked to run the Regatta along with the Summerville Memorial on September 9. Three boats from CYC and three from HHYC participated. Boats and skippers are listed in the Sailwave summary below. Shady Lady, skippered by Gary Phillips from SYC(?) registered sailing with white sails and without PHRF certificate, started the first race but did not finish. Winds were generally light, from 4 to 7 knots, mostly from North.

We were very fortunate to have Bill Topping (Brockport, NY) serve as PRO. In addition the use of Tom Bryant's quite comfortable Tiara 31 Degrees of Freedom, and considerably less comfortable but very busy Boston Whaler from WSP made for an active course with several length and alignment changes.

After a brief postponement while analyzing the wind, three races were run with windward-leeward center-start courses starting at about 6, decreasing to 4 nm total length (two circuits) as the wind dropped. Results are below.

Many thanks to Tom Bryant, Phil Fargo, Ed and Nancy Siemon, Tony Luttinger and David Rice for help on the water. Suzanne Gervais and Judi Sanders helped with registration and after race pizzas, and Claudia came in to tend bar on very short notice. Nicole Paratore, Jefferson County Hospice Director of Community Relations was on site, assisting with registration and awards. Thanks also to Tom Tomlinson and Canaan for their help and support in organizing.
